See You Gedenksieraden zijn uitgevoerd in gerhodineerd zilver voor een duurzame exclusieve uitstraling en gezet met zirkonia. De sieraden zijn ook leverbaar in goud gezet met diamant of zirkonia. De asresten worden met speciale hars gemengd waardoor een glanzende, doorzichtige afwerking ontstaat. Het verleden heeft aangetoond dat deze afwerking uitermate geschikt is om dagelijks gedragen te worden. Wel willen wij u erop attenderen dat zich altijd gebeurtenissen kunnen voordoen waardoor een sieraad beschadigd of, nog erger, verloren kan raken. Wij adviseren dan ook om te allen tijde een kleine hoeveelheid as te bewaren. De kleuren welke afgebeeld zijn in de sieraden van deze brochure zijn slechts voorbeelden. De standaard hars die gebruikt wordt is transparant.

See You Jewelry is produced in sterling silver with a rhodium-plated finish, for a luxurious white gold radiance. The ash remains or hair is integrated with the use of a special resin, resulting in a transparent, shiny finish. The durable finish will withstand everyday wear and tear. However, we always advise you to preserve an additional portion of the ashes, to be used for replacements in case of damage or loss. The standard resin color is transparent, and the resin colors shown in the jewelry images of this brochure are

See You Gedenkschmuck wird in rhodiniertem Silber angefertigt, und steht für eine lange, zeitlose und exklusive Ausstrahlung. Es kann aber auch in Gold, besetzt mit Diamanten oder Zirkonia angefertigt werden. Die Zeit hat uns gelehrt, dass diese Art der Verarbeitung sehr geeignet und vielseitig ist. Dennoch möchten wir Sie darauf aufmerksam machen, dass Beschädigungen oder im argsten Fall, Verlust nicht ausgeschlossen werden kann. Wir raten darum immer eine Menge Asche zu bewahren. Das Har kann durch uns von der Asche getrennt, und wiederverarbeitet werden. Die abgebildeten Farben in der Broschüre weichen ab. Das standard Har, der verarbeitet wird, ist transparent.
